
Arlington Hills Presbyterian Church

Christian Education

Nursery

Available: During Sunday School and Worship Service

Duration: One Hour (each)

Ages: Birth to 2 Years

Curriculum: N/A

We have a nursery staffed for both Sunday School and the Worship Service. The nursery is available for those from birth to 2 years old.

Please sign-in when dropping off your child, providing your name to the nursery staff, along with any specific care instructions.

We recruit volunteers from the congregation (adults with youth helpers) to lead this time so the children can have contact with multiple people in the congregation.

If you have questions about the Nursery —or about Christian Education at AHP—please call the church at 651-774-6028, or email us at ahp@usfamily.net.
