Message from Pastor

Arlington Hills Presbyterian Church has a rich history behind it. We will soon celebrate one-hundred-twenty-five years!

The photographs of the following members and friends of the congregation inside these pages testify to the commitment and love which this history evokes. We are grateful for each of these people. We are appreciative of those who are no longer with us, and we are thankful for the legacy they left us.

Our congregation has changed over the years. Its location is different. The faces are different. The demographics represented by our diversity are different. What has not changed is our faith in and belief in our Lord Jesus Christ.

The church of the twenty-first century does not look the same as it did previously. Visitors to our worship on Sunday mornings will likely see a few differences in our expressions of faith, as well.

We invite you to our life and work as we approach our 125th anniversary. There is much to celebrate and much to give thanks for here. We are a people who believe Jesus Christ is revealed through God's people, who act in love.

Hebrews 13: 8 reminds us, "Jesus Christ is the same yesterday, today, and forever".

If you aren't already a part of the AHP community, I hope you will join us in this endeavor.

Clerk of Session

Office of the Stated Clerk, 2009
AHP Member Since 1976

It has been my privilege to serve as Stated Clerk of session for the past two years. A large part of my responsibilities is to record the history of our church. Future generations will learn what our church did to further Christ's mission in the world, for example, by reading the session and congregational meeting minutes that I write. I find in these records an overwhelming evidence of a deep love of the people of AHP, and of its mission for almost 125 years; it is this faithful commitment that paves the way for the crucial task of leading, discerning, and following the leading of God's Spirit. And I believe God is leading our church in new and uncharted ways. Please feel free to read the monthly session meeting minutes posted in the church narthex to learn about the ongoing work and life of AHP.

As you all know, there is a lot of work to do in the ministry toward the overall health and welfare of the church. Please know there is a place at AHP for you to serve, whatever your gift or talent or joy—whether candle lighter, usher, deacon, greeter, nursery helper, Sunday school teacher or helper, youth ministry, stewardship, property, prayer ministry, music, community outreach, missions, worship, event planning, publicity, photography, sound system, etc. All people and gifts are welcome here.

I am pleased to have been a part of this loving, caring congregation for many years. Please don't hesitate to let me know if I may be a servant to any of you.
